

Phoenix Tube Company, Inc.®

LEED Criteria Worksheet

Project name:		Project Number:	
Product: STAINLESS STEEL PIPE AND TUBING Size(s):		Specification: ASTM A554 latest revision	
Manufacturer Name: PHOENIX TUBE COMPANY, INC.			
Address: 1185 Win Drive, Bethlehem, PA 18017			
A. Percent post consumer (1) recycled content (2)	YES ≥ 75%	None	
B. Percent pre-consumer (1) recycled content (2)	YES _____ %	None √	
C. Product or portion thereof manufactured within 500 miles of the job site? (2)	YES _____ miles	No	
D. Product or portion thereof, extracted, harvested or recovered within 500 miles of jobsite? (2)	YES _____ miles	No √	
E. Is part or all of the material used considered rapidly renewable by the USGBC?	YES _____ %	No	N/A √
F. Is part or all of this product certified by the Forest Stewardship Council?	YES _____ %	No	N/A √
G. Are any adhesives or sealants used in the fabrication of this product?	YES VOC g/l	No √	N/A
H. Is this product a paint, coating or carpet system? Carpet must meet or exceed Carpet and Rug Institute's Green label Plus testing and product requirements	YES VOC g/l	No √	
I. Are all composite wood and agrifiber products urea-formaldehyde free?	YES _____ %	No	N/A √
J. What is the material cost? Do not include labor and equipment.	\$ _____		
(1) Post consumer recycle content includes materials reclaimed from consumer products that would normally be disposed of as solid waste. Pre-consumer recycled content includes material diverted from the waste stream that cannot be reused in the same industrial or manufacturing process. If the recycled content is part of an assembly or mixture, use the following formula:			
$\text{Total Recycle Content} = \frac{\text{Component weight (lbs)} \times \text{Recycled Content (\%)}}{\text{Total Weight (lbs)}}$			
(2) If answer is Yes, attach supporting documentation in the form of an affidavit letter and/or product data sheet(s) including any LEED related documentation.			
I certify that the information provided is accurate to the best of my knowledge.
