

Phoenix Tube Company, Inc.®

May 26, 2023

Phoenix Tube Co., Inc.
1185 Win Dr
Bethlehem, PA 18017

California's Safe Drinking Water and Toxic Enforcement Act of 1986 (commonly referred to as "Proposition 65" or "Prop65") require suppliers, manufacturers and retailers to undertake a review of warnings that may be provided on products sold into California. Proposition 65 is the law that provides for people doing business in California to warn consumers if they are being exposed to one or more of the 900+ chemicals that the State of California has listed as known to cause cancer, birth defects and/or reproductive harm, subject to a few specific exemptions.

Phoenix Tube Co., Inc hereby certifies that the process for manufacturing stainless steel uses no chemicals listed on California's Office of Environmental Health Hazard Assessment ("OEHHA")/Prop 65 List. Phoenix Tube continually reviews updates to this list and will act accordingly if necessary.

Sincerely,

A handwritten signature in black ink, appearing to read "C. H. Kissinger". The signature is fluid and cursive, with a long horizontal line extending to the right.

Charles H. Kissinger
